

Complete sound coverage without having to worry about the price! OVO5T is definitely your budget 100 Volts cabinet speaker. Install as much speakers as you want in large-surface projects like company buildings, neighborhood centers, commercial applications...thanks to the fresh and young design this speaker fits into any area, whatever its décor or interior style. OVO5T can be used for covered outdoor applications, and is available in black and white color. They can be painted in any RAL color from a minimum of 12 pieces (ref.: PAINTCAB6). The included bracket allows flexible positioning, while the sturdy ABS plastic housing and rust free aluminum grill guarantee years of trouble free musical enjoyment. Quick-Fit cable clamps ensure quick and easy mounting. Affordable, but by no means a compromise on sound quality –typically APart!
